

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa0671/1dn
TKK:kjf:jf

April 25, 2011

Representative Kestell:

As I discussed with Chris Kulow today (April 22, 2011), the presiding officer of the Assembly may find that this amendment is not germane to 2011 SB 2 (LRB-1452/1). SB 2, as noted in the relating clause to that bill, relates to “changing timing of application process under the open enrollment program and permitting certain pupils to submit open enrollment applications outside the regular application period.” This amendment relates to the deadline for a school district to provide notice to a teacher for renewal or nonrenewal of the teacher’s contract for the ensuing school year.

The relating clause of SB 2 makes no reference to the timing of teacher contracts. For that reason, this amendment amends the relating clause so that the relating clause would accurately reflect the subject of SB 2 were SB 2 to be amended by this amendment.

Please let me know if you have any questions.
